SUMMARY

UI Developer with 2.7 years of hands-on experience in building and refining responsive web applications. Expert in HTML, CSS, JavaScript, Angular, and Bootstrap, with a strong dedication to creating intuitive, accessible, and performance-optimized user interfaces. Skilled in Figma for UI/UX design and prototyping, with expertise in mobile-first development to deliver seamless experiences across various devices, including iOS, Android, and the web.

SKILLS

Front-End:

- HTML, CSS, JavaScript, TypeScript.

Frameworks:

- Angular, Bootstrap.

UI/UX:

- Wireframing, Prototyping, Figma.

Responsive Design:

- Mobile-first, Cross-browser compatibility.

Integration:

- Front-end with .NET, SQL

WORK EXPERIENCE

UI Developer

CKS Solutions June 2023 – Sept 2024

- Developed and implemented responsive web interfaces using HTML, CSS, Bootstrap, Angular, and JavaScript, creating user-centric, seamless experiences on multiple devices.
- Integrated RESTful APIs to increase the functionality and performance of web applications, resulting in optimized data management and enhanced user engagement.
- Gained advanced expertise in Angular, leveraging it to build efficient, scalable front-end components that accelerated project timelines and improved code quality.
- Proficient in Figma for UI/UX design, enabling effective prototyping and fostering collaboration with cross-functional teams to enhance design-to-development processes.

UI Developer

Null Errors March 2022 – May 2023

- Implemented and maintained front-end architecture standards, improving application scalability and performance through optimization of code
- Created and optimized components and front-end libraries to increase development efficiency and maintain consistency across projects.
- Utilized version control systems like Git to manage code and collaborate effectively with development teams, ensuring streamlined deployment and feature updates.
- Designed and developed user interfaces using HTML, CSS, JavaScript, and frameworks like Angular to create intuitive, responsive web applications that improve user experience.
- Developed RESTful APIs to integrate server-side data with front-end applications, enhancing functionality and supporting updates

EDUCATION

Bachelor's Of Commerce
Noorul Islam College of Arts & Science 2017 – 2020

Accounts Auditing
S.L.B Higher Secondary School 2015 – 2017

UI/UX Developer Intern

Null Errors Sept 2021 – Feb 2022

- Worked with HTML, CSS, Bootstrap, and JavaScript to develop user-centered, interactive components.
- Strengthened technical skills and deepened understanding of user-centered design principles through real-world project involvement.
- Developed hands-on skills in front-end development and responsive design, creating user-friendly and mobile-responsive interfaces.

PROJECTS

Carzspa

- Developed a responsive website for a car detailing shop

Exam Portal

- Created an online examination system for students.

Career In

- Designed a platform for students to buy and join courses

Gold'n'Cart

- Implemented an e-commerce site for gold sales

Voucher Management

- Developed a system for managing promotional vouchers.
